

# Hajj Course Introduction

Hajj is the fifth pillar of Islam and a great act of worship that is obligatory once in a lifetime for every Muslim who is financially and physically able. However, many people are not fully aware of the correct method, rulings, supplications, and practical steps of performing Hajj, which often leads to confusion and mistakes.

The *Hajj Course* at **Mahmoodia Institute** has been designed to prepare students in a simple and practical way. This course teaches every step of Hajj clearly so that pilgrims can perform this sacred journey with confidence, peace of mind, and according to Sunnah.

## **This course includes:**

- Correct method of wearing Ihram
- Step-by-step guidance of Umrah and Hajj rituals
- Essential duas and supplications
- Etiquettes of Makkah and Madinah
- Common mistakes and how to avoid them
- Special rulings related to women

This course is beneficial for all ages, especially for those who are planning to go for Hajj or preparing for it in the future.

**Our aim is not only that you perform Hajj, but that you perform it correctly with knowledge and understanding.**
